

The "foundation" mentioned on the national website when entering your membership is **not** affiliated with the Virginia FBLA-PBL Foundation. Contributions made with your membership dues will not count toward contributions to the Virginia FBLA-PBL Foundation.

The foundation serves Virginia FBLA and PBL members by providing support for national leadership conference expenses, scholarships, and additional leadership development activities. Financial awards for the national conference will be made to all individuals eligible for national competition whose chapters were Foundation members.

A Foundation Membership form is also included in the update. Questions concerning the Foundation can be addressed to the President of the Board of Directors, Michael Mills, American Woodmark Corporation, 540.665.9273; email: mmills@woodmark.com.

Please be sure to check the mailing address on your Foundation contribution. We have had several cases where Foundation checks were sent to the national office in Reston (or the very old PO Box), and chapters were not given credit for their contribution. If your chapter has not received credit for a contribution, please contact Sandy Mills at smills@vafbla-pbl.org.
