

## HANDBOOK

The Virginia FBLA Handbook is a live website that will be edited as necessary to address any discrepancies or event clarifications throughout the year. We suggest that you bookmark the link to the document so that you are always using the most up-to-date version of the document. Any changes that need to be made/addressed after January 1 will be sent directly to advisers through email communication (so please be sure to fill out the adviser form).

- The CTE Resource Website is: [www.cteresource.org](http://www.cteresource.org).
- Click on the VERSO link.
- Click on Business & Information Technology
- Type "FBLA" in the search box (in the left-hand, yellow box).
- Click "Course Search," and you'll get results that include the FBLA handbook.

If you have any questions or problems, contact the CTE Resource Center at [info@CTEresource.org](mailto:info@CTEresource.org) or Sandy Mills at [smills@vafbla-pbl.org](mailto:smills@vafbla-pbl.org).
