

FBLA-PBL Professional Division

FBLA-PBL Professional Division is for anyone who has an interest in and supports the goals of FBLA-PBL—former FBLA-PBL members, employers, educators, parents, school administrators, business people, community supporters, and many others. Having a local FBLA-PBL Professional Division affiliated with your chapter can be a great resource.

Professional members help FBLA-PBL members make the school-to-career transition by serving as mentors, providing internships or job shadowing opportunities, arranging tours of local businesses, networking with media contacts, fundraising, and much more. If you're an FBLA-PBL member or adviser who wants to recruit professional members, contact the [national office](#) to find out how.

For business people, the benefits of professional membership include *The Professional Edge* newsletter and other member publications from the National Center, special travel discounts, state and local publications. Most important, professional members gain the satisfaction of helping students build career skills, providing quality opportunities for students to learn about business, and helping schools in building the nation's workforce.

If you would like to become a member of the FBLA-PBL Professional Division, contact the National Center at (800) 325-2946 and find out how to get involved in local FBLA-PBL chapters in your area. Or, simply [download an application form](#) or a [Professional Division brochure](#) here.

National dues are only \$25 per year, including an \$8 rebate to your designated state chapter. When you become a lifetime member, for \$350, the 10-payment plan (\$37.50 each) is a convenient option. Your state receives a \$50 rebate.
